

SUPERFINE 400 #16

STRIPED COWL

How to check your gauge:

With size US 5 (3.75 mm), needles, CO 20 sts. Work in Stockinette stitch until you have a square; measure how many sts fit across 4" then divide by 4; this is your stitches per inch. If you have more than 5 sts per inch, your knitting is too tight; unravel and try another swatch on a bigger needle. If you have fewer than 5 sts per inch, your knitting is too loose, try again with a smaller needle. If you want to be daring, you can cast on and skip checking your gauge – your cowl will still fit.

STRIPED COWL

Simple garter stitch stripes give texture to this double wrap cowl worked in the round.
